

HOW DO I KNOW I'M MAKING AN IMPACT?

Welcome to Proviso Partners for Health!

Join us for the fourth Community Leadership Academy (CLA) track that will focus on evaluation thinking and skills.

The CLA Evaluation track is designed for community residents, organizations, local government, enterprises, and businesses who want to learn about tools that will help measure how they are making a positive impact in the community.

Whether you are working on programs, business innovation, or research—all are welcome. You will be coached on the following:

- How to measure your work and know your impact
- How to build a meaningful evaluation plan
- How to design and communicate with an evaluation team

The **CLA Evaluation Track** includes 8 sessions occurring every other week and will be held at Loyola University Chicago Stritch School of Medicine, located in Maywood, IL. The first session is October 14 Monday every other week for 16 sessions. There is no fee to join to CLA Evaluation Track.

Please email Deniene Willis at PP4Hcla@gmail.com for more details and if you are interested in joining.
